These are just some of the activities we had last year. Similar activities are being planned for this year, starting off with the annual council-wide "Thunderbird Games" and campout in October, which attracts over 3,000 cubs, siblings, and parents.

If you want your son to have some fun, excitement, outdoor opportunities, and a chance to participate in a program in which he doesn't always have to win—instead, he learns about "Do your best" and how to be helpful to others—then we have just the program for you!

Cub Scouting is a home- and neighborhood-centered program designed to support and encourage quality family involvement for boys in the first through fifth grades. Each Cub Scout learns to respect his home, country, and other people.

Now is your chance to get your son involved in Cub Scouting!

Come to the meeting on Tuesday, September 15 to learn about what we do, when we meet, who the leaders are, what it costs, how Cub Scouting is organized, and lots more.
